

Bald is _____
Beautiful

A free program for women experiencing hair loss associated with chemotherapy.

Helping You Feel Beautiful

while going through one of the toughest times in your life

Breast Friends partners with a talented professional photographer and make-up artist team to create an atmosphere of emotional support at this vulnerable time. Going through chemotherapy and experiencing hair loss associated with the treatments can be devastating.

A compassionate and caring volunteer will walk you through your experience. You will receive complimentary digital images to share and remember how beautiful you are, inside and out.

**Find Your Sense of Humor
When Life Isn't Funny**

Breast Friends®

**EMOTIONAL SUPPORT
WHEN YOU NEED IT**

Losing your hair while going through chemotherapy can be very difficult. Breast Friends helps you find your sense of humor with these hats.

Breast Friends is here for you throughout your cancer journey from the moment of diagnosis, through treatment, and beyond.

Offering hope and inspiration, we understand the importance of friendship and support from other women during a time of crisis and trauma. Leaning on others who have been there, we come out on the other side, stronger and more alive.
